### The Premises:

Situated in a side street opposite a pub. discreet cottage type entrance. Pub closed but street busy with shoppers

### The Lady:

around 5'7". slim and fairly toned for age. described on phone as late 20s but more early 40s i would have guessed , but nevertheless very attractive. blonde .

### The Story:

arrived at the establishment and placed in a holding room for 10 mins. very discreet and receptionist excellent. Through into the main room and rather pleasant but unfortunately a little dark. Shearer entered the room in black hold up tights red underwear.

Rather chatty and stripped me to boxers. started with a talc massage whilst i stroked her cute buttocks. soon topless and boobs quite nice with good firm nipples. was soon naked and shearer gave excellent ball licking and rimmed me until hard. on with the rubber and blow job excellent , being nearly 9 inches long myself shearer gagged repeatedly and spat all over my cock repeatedly. she kept her tights on throughout which was a sexy look. then entered her missionary and she fingered my arse at same time. i struggled to come and she removed the rubber whilst i hovered over her stomach and boobs and wanked me. still no luck so the baby oil was produced. she had 2 fingers up my arse as i massaged her oily breasts and wanked over her body. a great climax and overall a great visit. we kissed passionately throughout.
