The Premises:

The flat was clean and tastefully decorated, with low level lighting, situated in a safe and attractive residential area of Milton Keynes, near the local shops. The flat was fairly easy to find, because Coco talked me in.

The Lady:

Coco is a tall, voluptuous black lady, with a very attractive face, beautiful lips, and an engaging smile. The photos on her website are accurate, but her face (not shown on the website) makes her even more attractive and sexy, and those eyes!

The Story:

It was exactly what I had hoped for and more - although Coco offers a full GFE service, I had booked an assisted bath, sensual massage and happy ending, but then after discovering what services Coco offers as part of her GFE, and after she had started the massage, I asked for (and received) an excellent deep throat blowjob (?20 on top of the basic ?70 for sensual massage) and believe me, that was a very good decision. Coco also kisses and generally, made the whole experience exciting and friendly, it's easy to make her laugh, and I will definitely return! Forget your massage/escort parlours and give me a warm sexy independent woman every time!
