The Lady:

Nice looking girl, slim with decent tits. The most appealing thing about Faye is the twinkle in her eye which really lets you know just how slutty and dirty she can be.

The Story:

She entered the room just after my shower, running about 20 mins behind, but not her fault - greeted with a kiss. Agreed my usual, OWO, Mish & CIM.

After some nice kissing, Faye moved down and sucked my cock while I knelt on the bed. Good technique, with no fear of going deep, so I soon laid down to enjoy it. When I was on my back, Faye had complete unrestricted access to my dick. She went deep and stayed deep, with spit drooling from her mouth. Everytime she came up for air, there were strings of saliva from her mouth to my cock. She also did some nice wanking. Faye knows how to handle a cock, and wanks like a porn star. To stop from cumming I had to fuck her.

On to her back and, no lube, my cock slid in her pussy with no restrictions. I like to deep fuck and Faye seemed content with this as well. After about 5-6 mins, I had to pull out and rub my cock on her clit to stop myself from filling the rubber up.

After this, is was back to lying down while she sucked my cock some more. My only complaint here is that Faye like to change her technique, while I just wanted to come and every time she changed the momentum slowed down. I showed her Jenna Haze's twisting hand movement and she got it right away, while sucking as much cock as she could. I think I came in less than a minute after that, filling her mouth with my cum, which she spat out - I couldn't persuade her to swallow it.

Faye is good looking with a nice body. She is really dirty though and seems to love what she does, being enthusiastic & intimate at the same time.
