The Story:

This was return to punting after 14 years. Ritzi gave me the time of my life. Never in all my earlier regular punting years have I experienced anything as exciting as this. Although I don't require full sex, she gradually coaxed and caressed me into a frenzy of climax. She didn't mind that I am an older man. She has given permission for me to come back as a regular. She's there every Tuesday. Thankyou for everything Ritzi.
