### The Premises:

Nice flat in the centre of Glasgows shopping area, very discrete and easy to get to. Buzzer controlled access. Shower, clean towels on offer.

### The Lady:

Advertises as 19 years 5'7 size 8/10 and 36c long blonde hair. She is mid 20s and I would say 5'9 or 5'10 she is not fat or too slim but has a very strong swimmers body, Polish with a fair grasp of English and told me she played a lot of basket ball previously. Fully shaved but unresponsive. Educated student type here taking a year or so off.

### The Story:

Originally arranged for two hours as on the phone I was promised A. On arrival it became clear that it was not her that I had spoken to on the phone as she had promised anal, to be dressed in a certain way etc. Had paid £260 for the 2 hours but near the end of the first hour I tried to initiate Anal and she refused, I mentioned I was told that I'd been promised it on the phone. She spoke about her manager and who was she to say what she did or didn't do! I asked for my money back and after a lot of haggling and discussion with the "manager" I got £60 back. I had managed three rounds in the hour with CIM, doggy and mish. It turned out I had previously seen her in London. She's moved to Glasgow as she gets a better % from the manager. What services I did get were OK, but the clothing request and the A services put a dampener on it. It's up to you if you can take someone else's word over the phone but I wouldn't go back.
