The Story:

I have never had a good experience when a girl has come to me and this was no different. She undressed and got into bed with me, sorry NO French kissing and no touching down below "no fingers" she then gave me a very nice OWO and asked for a 69 "sorry no 69) she could sense I was pissed off so she jumped up and ran into the bathroom and I heard the shower going. She then came back to bed and we 69'd for about 20 seconds, then up she jumped again and said sex now. I wanted to go down on her she said ok but hardly opened her legs and just lay there. so we have sex now, and we did , again she just lay there, 5 mins I came, she jumped up ran into the bathroom and I lay there waiting for Round 2, she emerged from the bathroom fully dressed , "I go now" she said and she went with ?200 of my money for 30 mins of rubbish service. This lady is to be avoided.
