The Premises:

Reasonably large studio flat near Gloucester Road tube, about 5-10min walk. Safe and clean and fit for purpose. She has a bird (flying kind) in a cage which chirps away but that didn't bother me or offer any threat to my pecker :-)

The Lady:

Larger than in the photos, especially around the tummy area. Definitely put some weight on and I think she may be conscious of this as she wore her corset for quite a bit. Nice big tits, natural too. I wish she was slimmer and was a little put off to start with.

The Story:

I actually booked her through Hot Collection but she is on this website as well. She has many positive reviews.

Well she has put on weight but her service is good. Excellent OWO, nice tongue with stud in it, and a very friendly Latvian girl.

Round 1: OWO, 69, doggy, finished in Mish.

Then a reasonable massage. She said she wasn't an expert but she has a nice personality and I liked her when speaking to her.

Round 2: Nice long OWO. Good technique, very sloppy and CIM to finish.

Round 3: Shag in missionary just to fully empty my sack.
