As previously described.

The Lady:

Zara is 5'9" tall with long dark hair, blue-green eyes and a golden tan. Zara has a 32D (enhanced), size 8 figure and fantastic long slender legs. Zara is in her early twenties.

The Story:

After being introduced to two new ladies ? Lily and Zara ? opted for Zara. Zara is new to VH as she mentioned this was only her second day, but she did say that she isn't new to the industry. A lovely chatty lady with a slight brummie inflection to a few of her words. A good massage of both my back and legs was very relaxing. I returned the favour, enjoying the view of Zara's naked bum and of the seamed stockings accentuating her lovely long slender legs. Thus Zara was also relaxed as we got personal. Zara's oral was very good, with just enough sucking to compensate for the loss of sensitivity from the condom and provide a stimulating experience. Zara got on top to start with, before we switched to ?missionary? and then finally ?doggy? for the expected finish.

Zara is a real gem and is now second place on my favourite ?Victorians? list after the very lovely Mia. I will certainly return to see Zara and enjoy her company (not to mention her body) very soon.
