### The Premises:

a terraced house in East Belfast in a quiet residential area not far from the city centre. Plenty of safe street parking. The house is undergoing some renovation, so some of the walls are not decorated, no carpet on the floors etc.

### The Lady:

A real irish bbw, around size 22/24, quite tall, red hair, massive tits, chewy nipples, nice bum, happy to dress up if she has the outfit.

### The Story:

Kaz is a lovely lady. I was due to visit her the day before but the snow but paid to that, but she handled the rearrangements with patience & a sense of humour. This continued into the punt she is a really nice person, however this does not stop her from being very dirty - she gave a good bbbj, took a fisting, reverse oral, put a hood on me, trussed me up & shagged me with her strap on. She then gave me more uncowed oral, and let me do her in the ass (covered), which is nice and tight. I would really recommend her if you have an hour or two & are in Belfast.
