### The Premises:

Would have been an enormous surprise, if I wasn't so well briefed by PN F.Reports, websites, blogs, reputation etc... The studio is full of character - candles, objects d'art, dark lighting, warmth, sensual atmosphere etc. Quite a little aladdin's cave!

As for location - superbly positioned - v.close to Borough underground station. 'Orrible little block, but when you walk in...

### The Lady:

DM is 100% true to her word... Again, I already knew oh so well what Dolly M would look, sound and even feel like from my homework! (had done loads, possibly too much!)

...size 12, curvacious, raven-haired, pale complexion, soft scottish accent etc... (Would have liked DM to have made a bit more effort with outfit, but apparently I had OD'd on emails for a first-timer and she wasn't convinced about me (and therefore, I guess, decided not to treat me to her best lingerie, heels etc this time around!)

So looks: lovely, sensual, as per web!

### The Story:

We got on well... talked for ages. I actually met her on route to her pad as she was out buying some Malborough Lights. We made a detour to buy some champagne (nice offy on route) and then she led me back to her place.

I was a bit nervous and didn't make any effort to do anything other than have a laugh and a chat - big mistake - as I was getting hornier and hornier as the champagne went down. We lay on the bed chatting - almost as mates, as the time went by!

Eventually, we got together and the first kiss was very sensual. Fab - just what I wanted! As a gent I wont go into too much graphic detail about what develop. Suffice it to say, anyone who visits this warm, lovely lady, will not be disappointed.

I actually was a bit disappointed if I'm honest, not with Dolly M but with myself, for not 'playing' earlier - I ran out of time to continue (my time pressure - not Dolly's!) which is why I am slightly perturbed! I would have loved a more ...er, 'extensive' session with DM... maybe next time?

In summary, it was like visiting a friend. A naughty, raven-haired, gorgeous friend. Next time, I will want to stay alot longer!

### **Service Provider's Rebuttal**

Dollymopp writes:

Well!

Upon first impressions, some readers may think that I'm a Fag Ash Lil' with tatty underwear? Cheers DD!

I did have a great time with DD, he's a handsome comical character, as you can very well see. (Think Robert Downey Jr on a good day...)

I just want to reassure readers that I DO NOT smoke on request, and certainly NOT before you visit me either. I am an occasional social smoker, and my boudoir is aired and cleaned very well every day. Non smokers comment on how fresh and sweet my boudoir is.

DD is a smoker, and I don't meet many of those.

From my experience, extravagant dressing can make some boys feel very nervous, so I choose carefully. I did wear some nice black satin underwear, a retro print dress and glitter shoes.

The kind of thing I wear anyway. Not too scary. More cute dolly than vampish.

If no one makes a special request, I will dress as I choose. I like retro and vintage styles.

Underwear, I like the sleek but understated, full frilly showgirl, to the vintage retro styles.

But it looks like DD wanted vampish! He should have said...!

I did like my review very much, it was very funny too.

I am going to murder him when I see him...for the somewhat unconscious sabotage!
