The Premises:

A flat above a shop in a row of suburban shops. Felt safe with no prying eyes. Perfectly clean and tidy with a good be; the main thing!

The Lady:

Claire is aged 20 and a size 22 BBW. She is well rounded but with a well defined figure, good firm boobs and a lovely completely shaven pussy. She's pretty with short blonde hair.

The Story:

Claire has only been working for a couple of months and is still rather nervous at first, especially as she only sees a small number of punters each week. After dealing with the financials we got undressed and started with some kissing which got me worked up all by itself! I then gave Claire some oral. Her cunt is fully shaven and smelled and tasted lovely. Claire then moved onto my nipples, licking and kissing them until I was really hard and ready for oral, uncovered of course! Claire gives great oral and it wasn't long before I shot my load into her mouth. She didn't take too much of it but she swallowed what she did!

After a bit of a clean-up I asked Claire for a massage. She replied that she hadn't had much practice but said she's have a go. She isn't particularly skilled but has good gentle hands and took her time, using baby oil to help. After a few minutes I felt relaxed and ready for another go so I turned over and began kissing Claire again. She then moved back to my nipples and got me hard once again before giving me more great oral - almost too good as I was incredibly sensitive! As a result I moved quickly on to sex. She gave me a condom to put on, lay back, spread her legs and let me fuck her hard. Needless to say it wasn't long before I came once again!

After a bit more cleaning up we lay and chatted for a few minutes before I got dressed and left. At no point did I feel rushed and at ?70 for an hour Claire is amazing value for money. Look after her while she's still a bit inexperienced and you'll have a great time!
