Gorgeous! Fantastic green eyes, very kissable lips, superb figure and a great bum!  
Dressed as requested in sexy business suit and looked even better than her lovely photographs  
Very outgoing and confident without being overwhelming. Chatty, fun and interesting to talk to.

### The Story:

What can I say about Laura other than she is THE BEST! Laura gave me the best punting experience I have ever had - by far! She did everything she said she would, was in no rush, made me feel like her true lover. I would not change a single thing about our time together - just that it went so quickly in Laura's captivating company. I defy anyone not to leave her company feeling happy, relaxed and fulfilled.

Being a gentleman I am not going to describe our meeting in detail but suffice to say that I thoroughly enjoyed myself, as I think she did. I was offered a shower before and after and Laura is thankfully very careful about cleanliness.

Laura is the Cotswolds hidden gem! She deserves to be seen by more people and she is soooooo good at what she does.

Remember: Gorgeous! Fantastic green eyes, very kissable lips, superb figure and a great bum! - what more does a man want!!!!!!!!!!!!!!
