The Premises:

Terraced house in a residential street, 10-15 minutes walk from the tube station. Felt safe. Dated (1970s?) decor, but clean. Bedroom recently painted. There was a shower fitting on the bath for washing, which I used before and after.

The Lady:

April is a pretty slim Polish girl in her early twenties. It was nice to see a girl with pubic hair, which was neatly bikini trimmed. April has a nice face and pretty breasts.

The Story:

Visiting April was a bit of trek on public transport from where I live, but a temporary special price offer from April made a visit even more appealing and I decided to make a booking. This was a good decision.

April is a friendly sexy girl with very good English. After an initial greeting and introductory discussion, we kissed and April provided excellent OWO. After this followed reverse oral, sex and then HR and more OWO to completion.

An unrushed chat followed.

In summary: a good experience with a lovely girl. Highly recommended.
