The Lady:

In a word, gorgeous! Lovely slim but curvy body and a beautiful face. Website pics don't do her justice.

The Story:

Shown into the room by the maid and offered a drink. A few minutes later Sally came in with the drink and we said hello and got the paperwork sorted. She returned after a minute or so. I'd seen her a month or so previously for the first time and was pleasantly surprised when she remembered me.

Started out with a very good, firm massage - since Ego opened the quality of massage at Divine has improved a lot! Soon enough I was turning over and Sally leant across for a gentle kiss. She commented on how clean shaven I was, and delighted me when she said "that's great, it means I can snog you properly..." and proceeded to do just that. This then led on to some great oral (without, after she asked which I preferred), before the condom was applied and she climbed on top for some great cowgirl.

After a short while she suggested we swap round, and I was happy to oblige. I was pleasantly surprised again when she started to play with herself, and after a short while climaxed. This plus some deep french kissing was the trigger for me too, and I came shortly afterward. Sally offered a shower, but I was happy to relax and have a good chat for a while before dressing to leave.

Overall an absolutely lovely girl personality wise who also happens to be a complete stunner, and great in bed. I'll definitely be seeing her again!
