The Premises:

as previously described. very clean and very quite area off main streets.

The Lady:

young.brown hair and eyes. about 5ft 6ins. nice figure and very pert breasts. pleasantly teasing.

The Story:

began with a very pleasant massage. after some teasing which involved me saying exactly what i wanted her to do she happily obliged. i found licking her pussy (her words) beautiful and after a number of mini orgasms she had a wonderfully loud huge climax which was greatly enhanced by stroking her breasts which really turns her on.all in all a delightful girl next door experience
