The Story:

it was a great start, i must have been the first punt of the day, it staretd with a DFK, which technically was fine, but as a non smoker, I was put off by the taste of fags. normally i would have expected gum, mints.

We moved to the bed, with a cuddle, kissing as I reached down betweek her legs, I was told, don't go inside, before I had even tried, then to be told don't suck on the nipples.

I'm a pretty gentle guy on punts, so was taken a littel aback at the comments, the BJ was great, the sex good, but the comments spoilt what could have been a great punt.
