The Premises:

La Maison is well described as a safe parlour, and entrance for the shy punter is quick and automatic.

The Lady:

Emily is early 20's, blonde haired and about a size 10-12, resembled someone from Big Brother 2, though has much more intelligence.

The Story:

Due to the Liberty Suite being offered at an introductory rate of ?100, as opposed to ?120, I had no hesitation in taking up this offer, I had hoped to see another, but Emily was introduced to me, and I was hooked.

We had the whole top level to ourselves, and privacy was a big thrill instead of all the usual noises you get in parlours

After a soapy shower, Emily gave me a massage and we exchanged small talk while things heated up, after I had reversed the massage situation, and had a good spank of her pert bum, Emily gave me OWO which really threw out the cobwebs, and made me realise what a thrill there is in a great blow job, and this one for me was the ultimate thrill.

Use of some clothing as she had no uniform today, and more mild spanking took place, and then more oral which confirmed that Emily is the number one at this, we ended with me coming all over her pert bum, and a great deal of kissing and cuddling in between all actions, made this a booking I will reflect on for many a year.

Shame she does not do overnights, as she is one lady that I would be willing to push the boat out for.
