The Premises:

Basement flat you need to go down the stairs to find the bell. The main play room is fine, the ensuite shower is very small, I kept banging my elbows. The bathroom is okay, but could do with some work, when I was there there was a problem with the hot water so the bath was luke warm.

The Lady:

Tanya is like her pictures, she is very pretty and very sexy with a very nice smile.

The Story:

This was a strange one, I told the agency I was looking for a GFE, okay a naughty GFE and they suggested Tanya. While she is very pretty and sexy for me she was not a GFE. Perhaps with a younger/slimmer/more handsome punter it would be different, but while she was quite eager to please it was not a girlfriend experience and in fact I cut short a 90 minute booking to 60 minutes (30 of which were used up in a very thorough cleaning, but not playful or sexy bath). Tanya is so good looking that if you're not looking for a GFE I imagine she would be great, but for me she was alas unsuitable. I may just have caught her on an off day, but I will not be returning.
