### The Premises:

Small place, lots of steps to her apartment. Not that straightforward when you are in the building but you'll get there eventually. Clean and fit for purpose. Wasn't offered a shower so didn't have one but didn't matter as I was clean anyway.

### The Lady:

Tall Spanish girl with long dark hair and dark eyes. Pretty girl with fuller figure than pics but not fat. Nice big natural breasts and quite friendly.

### The Story:

Level of service can be described as minimally adequate.

Round 1: DATY, 69, Oral with, finished in Doggy

Round 2: Oral with, Cow girl, Doggy, finish in Missionary.

I came to fuck and thats what I did. When she sucked my cock she just put a condom on it and away she went. I prefer OWO and whilst I didn't push the matter I suspect this wasn't available. I didn't bother asking for CIM as I suspect this would be refused. The GFE experience was somewhat lacking here in respect of no OWO or CIM but also no kissing either. I wasn't that miffed to be fair, just a little disappointed but my raging hard-on wouldn't let me dwell on it.

I spent a good amount of time licking and sucking on her pussy which she was ok with though when I was 69-ing her and just touching around the entry to her pussy with my tongue and finger she did seem a bit edgy and ready to make sure I didn't go all the way in. The plus side was that it was a nice sweet tasting pussy.

I did enjoy fucking her and grabbing hold of her and giving her a good pounding; I can still picture her buttocks slapping into my thighs. She didn't use any lube in the session and in round 2 I got her nice and wet with some nice long deep strokes in missionary.

All in all, not a brilliant punt but not a total disaster either. There is a better quality of service available elsewhere but I liked the look of this girl and did fancy her. I'd been wanting to fuck her for

a few weeks.

I'll recommend this on the basis that this wasn't a dreadful experience and I took advantage of the agency's 10% off on Sundays offer.
