The Premises:

Flat in old police house. Pretty well maintained.

The Lady:

Blonde hair, enhanced C cup breasts, blue eyes, Polish with superb english. Age probably 32/3, not mid twenties, and the photos are also a littel dated, however she is stunning and is as she is in the photos of her and Samantha.

The Story:

At last, some of us have been waiting for Meg to return from self-imposed retirement. Last seen at Max's Angels in 2005-06 she is back with a bang. Still a filthy little so and so, she seems to be revelling a return to the game and clearly loves sex. For the afficianado I can confirm she if a "full GFE" with OWO and all the trimmings. By anyone's standards she is a first class performer. Book now to avoid dissapointment as she is only back for a short while due to a cash flow crisis.
