The Premises:

Reasonable fit for purpose basement flat, problems with water coming in the bathroom from the ceiling but a bucket placed to catch the drops! Safe area typically between Hotels in the same block, easy to find. Bedroom again ok, nice music, porn disc on tv

The Lady:

As per photo's really, nice young Thai girl (would say she was at or over the top of the range of ages given on multiple websites 19-22) looks great in Black stockings, G-string and bra. Nice typical body, small breasts "B" not C as on some sites, natural and as later found very sensitive! Shaved pussy nice to play with....

The Story:

Such a nice typical Thai welcome, undress etc, done with paperwork, and had a quick cuddle on the bed waiting for her friend (Carla) to finish off in the bathroom so I could take a shower.. This done on to stripping her off and OWO (very good) allows all sorts of touching :-) ask to do A-Levels, immediately agreed, what a star! just said please be slow....a very reasonable request as she is so small. First in to her pussy, then in to A for completion. So good, got to put my fingers in her pussy while in her arse.... (she did not really allow this so I did the done thing and removed my fingers). Nice back massage, and cock massage and tried to revive for round 2 but not going to happen (on my account not for her trying). Leona is truly a nice girl, so willing and polite with all she does, I will return as soon as funds allow.
