The Story:

Wow. This is my third visit to LMP parties in 2 weeks, and what can I say. If there was a punting heaven this must surely be it.

I had oral from 4 ladies, and full sex with two. One of them gave me the best GFE experience I've had in over 7 years of punting. Simply amazing. Great party - only about 6 other guys, so the ratio was great. In fact, at one point I was mauled by 3 lovely ladies all at once! I almost wished there were other men around to help me.

A couple of points - I'd resisted entering the party scene for years due to (1) embarrassment with other guys present and (2) health reasons. But I need not have worried - within 5 seconds of over clothes coming off no one cares about who else is in the room, as the excitement is so overwhelming. In fact I love having the orgy feel to the whole thing, often I felt I was in a porno-movie. Also, as for health, I ensure I only have OW (although I saw lots of OWO), and don't kiss on lips etc. Condoms were available at an arms reason in every room.

If there is a better way to spend ?140 in the world, then I can't imagine it. Simply awesome, and I'm totally hooked.

In fact, other than seeing very specific girls in the future, I can't see the point of me going back to a 1-2-1 with other establishments.
