The Premises:

Probably my favourite walk up, well looked after, not shabby.

The Lady:

Billed as a tall Russian blonde and didn't disappoint, must be almost 6ft, long legs, decent boobs, more a cutie than a stunner but still good.

The Story:

Natasha is great fun - she was tickling and kissing me even before I got undressed. She was very tactile and actually really seemed to enjoy herself. I went for the standard oral and positions effort, and she gave a good bj, then went cowgirl (never had that before in Soho), before I did some great doggy on her and I eventually came in missionary. Very good, and really friendly girl.
