The Premises:

Very respectable looking house in a nice quiet area, felt very safe, not overlooked and with plenty of nearby on-road parking. Spotlessly clean bedroom with en-suite shower facilities and an enticing ?love swing?

The Lady:

Extremely gorgeous size 10, tall dark haired with a husky (sexy) European accent. Lovely personality with a wicked sense of humour

The Story:

Monique met me at the door wearing a very short skirt with fishnet stockings that seemed to go upwards forever. Those high heels she wore made her gorgeous legs look even longer. Once inside she greeted me with a DFK then once the paperwork was dispensed with we sat on the sofa engaging in some heavy kissing. While this was happening Monique was cleverly disrobing us both revealing her gorgeous size 10 figure. Lots of foreplay both ways followed by Monique kneeling in front of me on the settee and giving Sir P fantastic OWO. I could have sat there and let her carry on but decided it was my turn to return the favour on her oh-so-smoothly shaven honey-pot. With no hint of any faking whatsoever Monique orgasmed holding my head tightly against her honey-pot. (I did enjoy that !). Then once Monique had recovered she led me to the bedroom and steered me to the ?love swing? where we sat and she then turned her attention to Sir P again with fantastic OWO. This time with both her hands and probing fingers doing other things at the same time, I lost control and went to heaven. Monique then made us both a cup of coffee giving me time to recuperate. She then asked me if I would like her to put a cover on Sir P. As I am not a super-stud that cannot claim to cum at will, I confessed that I wouldn't be able to do much but it would be fun trying. With the cover on Monique sat astride me on the edge of bed in cowgirl position. With Sir P deep inside her it was a great view of Monique facing me. Yes it was fun trying but as I said I'm no super-stud. What a fantastic experience with a fantastic lady. Will I return ? you bet I will. LoLaLoR C. XX
