### The Premises:

got lost on the way there, then had to call for directions ( my fault though as my satnav is garbage ). She has just moved into a new place and it was admittedly (by her own assertion a little cluttered and messy). However was homely enough. Plenty of parking was available.

### The Lady:

She is exactly as depicted on her website, so no complaints there

### The Story:

No the first thing to mention is she is most softly spoken woman I have ever had the good fortune to meet. A lovely little irish twang to her accent also. However once you move upstairs she turns into a wild minx. I dont think there is much offlimits. I thoroughly enjoyed an hour of OWA, Rimming (giving and recieving, cowgirl, doggie, 69, DT. My hips are still aching today :)

I will be popping back in a couple of weeks when back in that neck of the woods.
