The Premises:

Near the museuems in south kensington. Big flat in a posh place and nicely decorated. very inviting

The Lady:

Ella reviewed many times before - my take - nice big breasts on a slim figure, nicely groomed and friendly

The Story:

Ella is a nice girl, good at what she does and putting her all in it.

Started off with deep french kissing followed by OWO. Next on to 69 I sucked on her clit with lot of concentration and as she was turned on she spat on my cock to make it slippery and overall making matters hornier.

We had sex in cowgirl and reverse, mish and doggie was best with her head buried in pillows and ass high up in the air. In this position took advantage of licking her pussy and ass and inserted fingers in to her fleshy pussy for a vigorous finger fuck aided on by her verbal encouragement of harder and faster.

At end she gave me a handjob but it was one of those days finding it difficult to cum. she tried her best by wanking herself standing on top of my face. Also sitting on my face shoving her pussy on to my tongue. Finally I came while she was kissing me and while she looked looked at me with her sexy eyes. We ran a bit overtime due to my fault (as above) but she wanted to make sure that I was satisfied. Thanks Ella for being patient and giving me a good time
