The Premises:

Laila's place is on Edgware Road. Easy to find. Walking distance from Edgware Road tube station. Her apartment and bathroom are clean and pleasant.

The Lady:

Laila is prettier than in her pictures. In the pictures you don't get the sparkle in her eyes. She is relatively tall (5'9) and slim, has large (enhanced) breasts, and has gorgeous, soft dark/black hair ... oh yes, and nice, soft, kissable lips.

The Story:

Laila is very friendly and welcoming, and not a clock watcher. We didn't get to try everything listed on her web page, but I'm sure she's up for all of it. My experience was more GFE then PSE. Reverse oral, OWO, cowgirl and doggy were all very good. Hopefully, we will try the rest on my next visit.

I should also mention the excellent help from Tom of UK Sugar Babes. I don't think I've come across a friendlier and more professional agency. Normally Laila's rate is ?200 per hour, but because of a previous disappointing meeting with one of the girls they had listed (95401) Tom gave me a discount. I can highly recommend this agency. Needless to say, I will be back for Laila or one of the other girls.
