### The Premises:

Safe and very welcoming, Industrial estate area, plenty of parking areas.

### The Lady:

Abi is about 5'7", and mid 20's, blonde slim and very tactile Liverpool lass, who loves to kiss and cuddle.

### The Story:

Started off with a shower, then had a sponge mattress laid on the floor for me, so that Abi could give me a soapy body to body massage, followed by OWO and lots of GFE, when the time was due to move on, I slid off the mattress and slid over the tiles due to the soapy water, so Abi had a go at this also, and slid to the middle of the large room, but not before Abi had proved the medical profession wrong.

Onto the Sauna to dry off, again the OWO and much GFE took place, as well as it getting steamy between us, we had a bit of a chat and explored the few parts we had missed first time round.

Finally we went into the bedroom, and I pleasured Abi with a tounge massage, front and back, then we swapped position and it was not hard to achieve the final dream....afterwards we cuddled and kissed, till we calm'd down after the excitment.

I was looking for something differant, and Abi sure did the differance for me, over 20 years of punting and wow did she share a new experiance.
