### The Premises:

Usual place - reported on before. Clean, tidy, safe & welcoming

### The Lady:

Small & petite (no more than size 6 I'd say), dark hair, nice bright smile, nice legs, fantastic arse & nicely enhanced tits (not too huge & done very well)

### The Story:

This girl was recommended to me by the chap who runs the agency, and as usual you're a bit nervous, but there was no need! When I met her the smile & her lovely pale skin hit me first (followed by the nice boobs)& when I followed her up the stairs (which is a good design feature of this place to let you see the bum - and hers is fantastic!) I was very impressed with all of her (good legs even though there isn't much of them) & she was chatty all the way - which I like btw. She has been a model & posed in lads mags & was originally from Leicester.

As for getting down to business I won't do a blow by blow account of what went on, but she did full gfe & everything else a man could want & was quite happy to have a chat after with no clock watching. She is definitely on my "must visit again" list. I would say 9/10 & definitely worth a punt if you like smaller dark haired girls with curves in the right places.

Another good punt from the only agency I will ever use.
