The Story:

Met on arrival by a sexy little stunner. Having read her earlier reports I was curious to see her in the flesh. Zoe more than exceeded my expectations. A ronseal job does exactly what it says on the tin. She sucked my cock expertly and was very inventive with a vibrating anal probe. Then my turn to explore her beautiful glory hole. Tasted delicious. Moved round to some 69 and finished as we both came together with a shuddering climax. She is one dirty whore but excellent value I shall definitely be back for more. A great find well done punternet.
