The Premises:

This place is quiet residential and some light traffic coming and going. Decent free on street parking within walking distance. Secure entrance and once inside quite welcoming, and the offer of a cold or hot drink from the MALE attendant (never did get used to that!)

The Lady:

Sexy and tight little Korean girl... with delicious feet and a gorgeous ass to die for. She also had beautifully pert nipples on her tiny breasts (just the way I like them!)

The Story:

This was one of the best punts I have had in a long time... The girls at this place tend to change every week I think...but they are always orientals. Started off with some terrific petting and fuck play with some light kissing and brushing of lips. Fully clothed we simulated how I was gonna take her roughly from behind and she seemed to like that! She turned round and undressed me slowly and I did the same to her but told her I wanted her sexy high heels ON! (she obliged and I fucked her with her shoes on - quite a turn on actually) First she pput me into a rubber, then sucked me for a few minutes until I pulled her off (to stop me from cumming early) then it was a few minutes of missionary followed by a climactic and deep penetration from behind... where I ended quite pleased with how it had turned out. A seriously delightful and beautiful girl... we sat and talked for a few minutes afterwards as she cleaned me off. Nice girl!
