The Story:

Arrived after telephone arrangement. Quite pleased when I saw her and she asked me to strip (she did too) and join her in the shower. She washed my important bits and also washed around my bum! Quite exciting as I thought that maybe a chance of some rimming although she does not advertise this. Back into room and a bit of light french kissing before being asked to lie down on bed. I lay on my back and she started giving me nice body to body massage - very nice. Then without my asking she started licking me and ventured quickly down to my lower regions. She licked/kissed my balls so I lifted myself up a bit and she started some lovely rimming by flicking her tongue around my bottom. I gave her better access to this and she lapped it up brilliantly. I loved this as it happens so rarely to me. After much of this and great OWO as well we decided on with the condom and went for it in mish. As usual I finished quickly with her letting me thrust deeply in whilst FK. A great visit with a lovely obliging girl.
