### The Premises:

New HOD premises at top of building. Parking a bit limited and also obvious punters coming out just after the half hour looking shifty.

### The Lady:

Perfect figure with gorgeous tits. Smelled of smoke which I wasn't aware of from HOD site. size 8 with 34 dd's would be my estimate. Lovely all over tan as well which made up for the only fly in the ointment slightly dodgy teeth a bit yellow from nicotine I think.

### The Story:

It was a spur of the moment decision to visit so wasn't really in the mood for a good session so thought it might be hard work for Poppy. Started with OWO after I refused the massage. Moved on to some 69 action (she has large labia if u r into that) which was very nice. She then rode me for a bit before I asked to go doggy style. To my surprise this felt so good that I came inside her which is unusual for me as I normally get the lady to finish by hand! I suppose the sight of her fantastic bum did the trick. I would recommend that you all wear your Poppy with pride as long as you dont mind smokers. As I dont like smoke smells I probably wont return but still had a great time with a nice girl. Get some patches and I will be back. Thanx again Poppy xx
