The Premises:

OK. Not much room inside and the bed springs twang a bit!

The Lady:

5'7" slim and blond. Enhanced (sadly) boobs and I'd guess late 30's early 40's.

The Story:

I was hoping for a repeat performance of my previous visit here but only Emma was on. As it turned out, this was an excellent punt and superb value for money. Emma is very easy on the eye, friendly, easy to talk to and a damned good shag! She also kisses passionately and unreservedly which is a major plus in my book. This was gentle unhurried sex with none of the coarse embellishments often added.

The receptionist said she "specialised in all areas" but I didn't request any extras and none were offered.

If I lived locally I might just become a regular. Be nice to her.
