The Story:

This is my second visit to lara and she never failed me .as ever bubbly and ready for anything.After sorting out paperwork she stripped her pink net dress and gave me wonderful BBBJ ,and then it my turn to return favor and told her I was going to eat her pussy and boy I did where by she literally came(I think so as she shuddered and her eyes looked dim)On came raincoat gave her hard pounding in doggy style.Sight of my cock going in and out of wet pussy made me come with full gusto and we both collapsed to bed and entangled to kisses and caressing.Oh bye the way she let me taste tiny drops of titty milk and when she came she probably squirted a bit which was sight to behold excellent!!!!
