The Premises:

nice house in a quiet culdesac on the outskirts of dunstable-around 1 mile from the town centre. plenty of easy free parking in michelles rd and adjacent rds.felt a safe area to leave your car-i have visited several times and never had any problems regards my car.

The Lady:

lovely slimmish brunette lady i would guess in her 40s but a lovely figure between 8-10 in size which i find pretty perfect-34c cup breasts if i recall -michelles figure and appearance would put a lot of younger women to shame-she really is good.down below she has a lovely neat landing strip and a tight pussy

The Story:

i have visited michelle several times and meant to leave a f/r for ages-so here goes-michelle does massage and hand relief,oral etc and a full personal service at 80 pounds.I normally opt for the 30 min massage and happy ending at 50 pounds but sometimes pay the extra 10 pounds to make her orgasm which she enjoys as long as you are gentle. michelle does not rush you and does a lovely slow gentle soft massage inc some teasing cc swipes,her touch is soft and sensual and she will make a point on several occasions of brushing your balls, cock before you turn over, half way in between the slot i change places with michelle and get to see her fit body and lovely pussy on the massage table. she enjoys slow sensual oral and or fingering to make her orgasm-michelle does genuinely come and it shows and you can tell she does enjoy it but michelle likes it gentle and not rough if you choose this option-once michelle is over i then get back onto the massage table for my big ending-she will apply oil to my cock in a gentle and teasing way and slowly build me up to explode-michelle is not a clockwatcher and ive never felt rushed during a visit and its not uncommon for my 30 min slot to overrun by 10 mins -a totally enjoyable punt with no worries.
