Very pretty brunette, web pictures are accurate.

The Story:

My birthday punt in MK. Lea is a very pretty European brunette. Website claims Dutch, not sure myself but what the hey. The website photos are accurate as are the other FRs. She is a very sexy lass.

Came into room wearing short top and even shorter mini skirt that covered not a lot! Stood on bed so I could fondle her at the right height, nice! We undressed and kissed and fondled, she is quite well endowed breast wise. Moved on to O (covered). Very vigorous and prolonged, in the end I had to ask her to stop as I was about to pop! Only downside was not able to fondle her during this process, but the view in the mirror was good though blurred for me!

Moved on to doggie at my request, unfortunately without my specs I couldn't see clearly in the full length mirror. Deal with it you perv. Keep them on next time. Proceeded to v satisfactory climax with much bum fondling, she with a hand on my balls to help things along.

Cooled down with a relaxing and thorough massage, thank you and goodbye!

A very sexy lass and good at what she does, however for me a little on the young side and there's no denying it makes a difference to the lady too even though it maybe shouldn't (and doesn't with the real stars like Petra, Daniella, Felicity and all time favourite lass Carla). This made it difficult to strike up a rapport and is she Dutch, well I mentioned a few places I had been to and got a blank look, normaly if you show interest you get enthusiasm back, maybe she just didn't want to talk about it.

Great lass and recommended for you younger guys!
