The Premises:

I met her by a side gate and she led me through a patio door into a ground floor room with NO toilet facilities as is is just a room in a shared house and thats it! I didn't realise this when I arrived. BE WARNED - AVOID THIS LOCATION

The Lady:

She describes her self as hot and beaufiful. She is quite attractive, a slim (size 8) with nice boobs but very "eastern european hard looking" if that makes sense.

The Story:

Her english is poor, mix up with the pricing and over paid. NOT a good start. She states on the web that she loves OWO, she does DO OWO. I pointed this out and she just said - I never do it, it is wrong on advert. After a very boring round one I needed the loo. She said she doesn't have one as it is a shared house and thats it. So I had to leave earlier than I planned. I should have left as soon as I arrived, but I am a mug. YOU HAVE BEEN WARNED - AVOID AVOID AVOID!
