The Premises:

New penthouse flat, my second time there. parking is ok but could be an issue out of work hours when home owners are back from work.

The Lady:

What do I say? The most beautiful escort I have seen in 11 years of punting including my 6 month stay in Amsterdam! About 5'5" size 8 with a c cup i'd guess. All over tan with gorgeous smooth skin you won't be able to leave alone. All that aside the face is just jaw droppingly beautiful.

The Story:

Was shown in by Gisele, she was wearing nice lingerie. Shown to the room and got the paperwork out of the way. Came back into the room after a minute or so and proceeded to strip. I could not take my eyes off her she was that good looking. Not going to do a step by step of what happened but briefly there was OWO, 69 (awesome pussy), missionary and finished with doggy style. The conversation was also very nice like we had known each other for years not minutes! Her eyes are captivating, I can't get them out of my mind!!! Next time I will stay longer to see what else we can do. She is the kind of girl you want to make love to not have sex with. Sometimes words aren't enough to thank her or describe her and ?60 doesn't seem a fair swap.

I will return soon. Maybe with a bigger condom as hers were a bit tight on the old fella. Beware guys this girl is habit forming! Thanx again from the guy with 2 ex wives and 4 kids if you remember me?
