The Premises:

One of HoDs new flats. Brand new build, little away from town center but NO paid parking. Parked in little side road as I couldnt find any proper parking. ITS THE BLOCK OF FLATS NOT THE HOUSE! I was told on the phone. Very quiet area and no shoppers around. Very clean, new and cosy inside. I actually like it better than the old flats. With carpets rather than wooden floors.

The Lady:

Gorgeous RUSSIAN girl, about 21, 34D natural chest. Long brown hair. Shame they dont show her eyes on the site. A girl with Kalidescope eyes. Never knew what that meant till I met Giselle. Seem to change from green to brown to blue. Almost hypnotic.

The Story:

Tried to see Giselle a few times but she was always booked. Just had an hour punt the day before but noticed that she was on the schedule so tried again. She was available this time so went for it incase I missed out.

Arrived, said our hellos, was offered and accepted an orange juice, and sorted the money.

She seemed a bit cold and clinical to start with, and to be honest I was starting to have doubts, but offered to give her a massage and started it, chatting about where shes from.

She seemed to warm up abit and so moved on to reverse oral.

Came up for a kiss n cuddle. Only close mouthed kisses to start, uh-oh my doubts started to return, but took it slowly and built it up into very ranchy DFK.

Soon moved onto OW. Was hoping for OWO so politely asked "Do you do OWO?" "Yes, some guys dont like OW". So off with the rubber and into brilliant OWO. Certainly pays to ask nicely.

The urge was building so politely asked if she did CIM and prayed I didnt upset her. A little smile "no sorry". Phew I didnt upset her.

But on with a new rubber and into very energetic cowgirl. Wasnt going to last long so came up for some DFK and cuddling.

Relaxed for a while cuddling before she gave me a very good body to body to start round two in missionary which she certainly seemed to enjoy.

She wanted to try doggy. Okay, and she moved 90 degrees across the bed. Err okay so repositioned myself and started doggy, coming down for more kissing. Then noticed she was staring at us through the mirror with big smile on her face. Finished off the time kissing and cuddling right up to when I was walking out the door.

Didnt think Id click with Giselle after the first few minutes but just went with the flow and she certainly enjoys herself if you click. I certainly did and definatly a girl I'll be seeing again.
