### The Premises:

A flat in a converted victorian house, typical in Moseley. It was a bit scruffy but felt safe and secure. The flat is her friend's place which she uses for working, so had to wait a few mins whilst she arrived through taxi delays.

### The Lady:

Jessica is a young black girl about 5ft 4 with long blueish hair. This is probably due to her fetish modeling work that she does. Her breasts are natural and not large and she has womanly curves. She has not escorted for long and is a natural unpretentious girl.

### The Story:

The time we spent was quite special. I confirmed what her services were and was glad that kissing was accepted and knew that A levels were out (not that I expected) The sex was natural and excellent. what was unusual was that following my orgasam I helped Jessica to a rare orgasm for her. All in all the most natural GFE you can get. recommended
