### The Premises:

Discreet apartment in a block of flats plenty of parking

### The Lady:

5,8 in heels long blonde/brown hair slim body and great tits partly shaven with a little landing strip

### The Story:

Arrived at 12.55 and was greeted by receptionist to be told Ella would be with me in 5 mins at 1.05 ella came in to the room and greeted me with a kiss and sorted out the money she then left the room having told me to strip and came back in to the room at 1.08 . We both laid on the bed with ella gently kissing dfk and nibbling my ears and neck before giving me owo with plenty of eye contact i then proceeded to fondle and suck those lovely nipples and tits before licking at her clit which prompted her to tell me to suck on her clit . She then asked me would i like to fuck her pussy and out came the rubber and when i slid into her and started giving her some strokes she then slipped her finger into me arse and prompted me to fuck her harder which resulted with a swift conclusion having your prostate massaged tends to bring about . She then cleaned me up and gave me back massage . My only complaint is that i was getting dressed by 1.30 resulting in a 20 min punt so i felt slightly annoyed about this but didnt say anything as she seems such a nice girl . But i will not be returning to see her as it felt a bit rushed
