The Lady:

5'3" tall, nice figure, C cup breasts, nice and firm. Sadie was nicely dressed. She has a lovely face and smile and is very easy to get on with. We clicked over several emails during setting up the date.

The Story:

This was a very raunchy session. I'd showered before she arrived as I wanted us both fully clothed to start. After preliminary introductory chat we started light and deep kissing; Sadie is a very good kisser and I was soon unwrapping her lovely bod from her clothes. She had very nice underwear on and those firm breasts were straining to be set free. We had lots of oral on each other, and i gave Sadie her first orgasm while using one of her toys on her as she played with herself. More oral on me followed and then we had sex in several positions; she got very wet, and she had her second orgasm with me inside her as she played with herself. Only fair after she'd had two for it to be my turn so we got in front of the full length mirror, me standing , Sadie kneeling and I came in and around her mouth. What a wonderful finish to the hour; she looked so sexy

This was a really good vfm hour spent with a beautiful , willing, friendly young lady, and I am already planning the next date when I return to Edinburgh
