The Premises:

This was the first time i had visited brooklyns and i was quite impressed. The place was very clean and tidy and warm. Which was nice since it was so cold out side.

The Lady:

Jessica was very curvy roughly mid 30's id say. Real nice big boobs that i loved to bury my face into.

The Story:

I hadnt been on a punt in quite some time so it was nice to visit somewhere i hadnt been before. Jessica was really nice and the DFK was amazing and got me extra hard. We proceded to OWO for an extra ?10. She really knows how to suck a cock! I asked if it was ok to lick her pussy and she replied yes so i got to work on her clit. She asked if i wanted to fuck her but as i said i hadnt been on a punt in some time and couldnt even last long enough to stick it in her. I will be returning again to see this lovely lady and cant wait to feel those tight pussy lips round my cock. 10/10
