The Premises:

Debbie's probably has more reports written about it than any other place in London. It's in a basement flat very near Anerley Station, and the place is always in order. The maids are friendly, and on this occasion it was the lovely Debs herself who greeted me with a kiss and a squeeze of my cock.

The Lady:

Debbie's has, with justification, built up a very good name over the past few years. It is an excellent parlour where the girls enjoy their work rather than simply taking the cash and lying back and thinking of England (or, in Lorraine's case, Scotland).

Lorraine is a voluptuous (not fat) honey blonde, from Scotland and in her early 30's.

She's very pretty with a naughty glint in her eye that leaves you in no doubt you are about to indulge in wonderful sins of the flesh.

I'd say she is about 5ft 8lb, has large breasts with suckable nipples and an arse that is crying out to be grabbed hold of.

She walked into the room in a basque, stockings and heels and we exchanged a slutty wet snog.

I paid for a half-hour full personal, which included OWO.

The Story:

Some excellent girls have worked for Debbie, and Lorraine is definitely another.

I took off her basque and knickers and spread her legs, lapping away at her pussy.

It was soon wet as she pushed herself into my tongue, then she took my cock in her mouth and we had a 69 that could have lasted all night were it not for the fact that I needed to fuck her.

This we did in different positions until I took her from behind a she smiled, looking into the mirror. She grinned like the very devil as I emptied myself into her.

She is built for sex - she certainly DOESN'T look butter wouldn't melt - and she's very good at it.

She's another good addition to Debbie's and I will return to slurp on that lovely sloppy pussy before knocking the back off Lorraine.
