### The Story:

Had hoped to repeat last weeks experience with Sofia & this time with Lillian, but unfortunately Sofia was busy. Agreed 30mins with Lillian, oral without & sex. As feeling very horny, thought I would see both of them together after my first 30mins with Lillian. Started with a ok massage then Sofia started playing with my balls which was enjoyable, then she rimmed me though a wetwipe, a first, which felt more curious than enjoyable. Oral without was good. Then sex in doggy, bending Sofia over a couch, then on the bed in missionary and doggy to finish. Cleaned myself up, then asked for another massage, which I don't think Sofia wanted to do. Massage lasted 5mins and Lillian announced that my time was up. This was approx 18-20 mins after she entered the room. I said it was a 30mins service but Lillian said just included the sex! Not happy. Put the idea of a further session out of my mind. I felt that Lillian was just going through the motions and not very interested. I will return but not to see Lillian. Other punters may enjoy Lillian based on her looks.
