The Premises:

If you need to ask ...

had nice banter with receptionists this time, which was a good way to start. Also had long and enjoyable shower.

The Lady:

Attractive, nicely shaped, black-haired girl. Hadn't got a clear image of her beforehand as pics on site unilluminating but her looks and her manner were great from the start.

Marie's face is nice enough anyway but also offers sudden flashes of real youthfulness and with her big repertoire of looks, this was a real pleasure in itself.

The Story:

Great time of a different and unexpected sort. Marie I found one of those girls you are just as happy chatting to as doing anything else with, but that is no faint praise because a full-on chat makes the following activities all the more pleasurable and certainly did this time because time collapses and it's a bit like getting it on with that office colleague you fancy.

Marie is skilful in all she does - chatting, engaging with you, giving huge pleasure with a whole range of little surprises and fine techniques.

I expect she was quite controlling really but when done this well, give me more.

The chat melded into action with Marie kissing everywhere and touching and teasing. Full-on oral happened with condom but lots of attention beforehand. Marie chose lying together rather than 69 and both letting hands explore led to her apparently unable to stop herself jumping onto me (well... :)).

Changes of position and lots of pleasure and intensity.

I can see why Marie is so popular and why her regulars came back to her when she returned from a break.

A 'real' person you can enjoy on all sorts of levels - and positions.

A lovely time with a lovely woman.
