The Story:

I contacted L by phone and she responded to my voicemail promptly and positively. I phoned again the next day to confirm and when she heard that I was coming from a distance she changed things around to accommodate me. I found her house easily and had no problem with parking. Louise greeted me at the door dressed enticingly in lingerie and stockings. I soon realised what a fine pair of assets she had in her massive boobs! The money was taken care of and I stripped off and fell on to the bed. Louise enveloped my cock in her warm and enticing mouth and soon I was rock hard. L then asked me to pay special attention to her clit and pussy, guiding my fingers to just where she wanted them. She grew more and more horny, talking dirty herself and urging me to do likewise - just the sort of dirty tart I like. Then it was on with the durex and Louise mounted me, pushing down on me strongly. After a while L wanted doggie, and I eagerly obliged. I stuck my cock deep into her cunt and my finger in her arse. Louise confirmed that she enjoyed anal, so I lubed her up and with a big push entered her rear entrance quite easily - my first anal for quite a while. L moaned deeply while I serviced her arse, but I wanted to finish off missionary-style. So we changed the durex and I pushed eagerly back into her sopping pussy. We ground away strongly and finally we both came hard together - fantastic!

Louise is a friendly and easy-going lady. She has another job, so is not always available, but if you can get to hook up with her, you'll have a great time, for sure!
