The Premises:

A nice tourist hotel where I saw Victoria from one of my other reviews.

The Lady:

Kylie Ireland was absolutely stunning. Words cannot describe her but then she has been a fantasy of mine for the last 10 years! Sexy feminine voice, pretty face, slim, curvy with the most amazing arse and breasts!

The Story:

I grew up with this porn star and have watched many of her films especially at stag parties. I spent an hour with her and it felt like 5 minutes - it sounds like a cliché but it is true!

I paid extra for A and watersports and just explored and did every positions that I could think of. She is not cheap but then how much is my fantasy worth? I am definitely going back to see her before she leaves this shore. I do not know how this agency does it but I look forward to submit my list of porn stars to them and see what they can bring to London!
