### The Premises:

Nice, clean flat in a modern development. Obviously Anika's home. Bedroom is more like a fantasy boudoir with a round bed and a mirrored wall where you can watch the action. Very safe.

### The Lady:

Gorgeous tight-bodied brunette in her mid/late 20s

### The Story:

She buzzed me up telling me to just come into the flat as she'd be in the bathroom getting ready. Poured us both a glass of wine. Anika came out of the bathroom in what he called her Spider-Woman dress and we immediately started snogging. She's a beautiful, sexy woman and soon we were stripping each other and groping on the sofa. She got me naked and then led me to the bedroom where she got on all fours and presented her bum and pussy to me. I joined her on the bed and licked and ate her ass and pussy, stroking her clit, getting her nice and wet. She went down on me, swallowing my cock right to the hilt, taking me right to the back of her throat. Then after a little 69 she ordered me onto my hands and knees and began to lick my balls and rim my arse, tongue-fucking my arsehole, while wanking my hard cock with her lubed hands. It felt fucking amazing and I knew I had to be inside her. She rubbered me up and I dove into her, fucking her gently at 1st, then faster, harder, deeper. She's got a beautiful tight pussy and exquisite muscle control; it's almost like a hand inside her pussy squeezing your cock. Could feel the spunk throbbing in my balls and knew I wasn't going to last long but Anika had one last treat in store for me. She lay me on my back and, while sucking my cock, gently slid a vibrator up my arse. It was incredible, waves of pleasure rippling throughout my body. I exploded, jerking, spasming, filling her mouth with my cum. Afterwards she gave me a firm massage and I left feeling completely spent. A great time with a gorgeous girl, Anika's amazing, can't recommend her highly enough!
